Dash Logistics

P.O. Box 4334
Medford, Or 97501

Phone: (541)665-DASH
Fax: (541)608-6838

Process
We'll ask you to download two free apps from any of the 3 sources below.

GroupMe Web   GroupMe Play Store   GroupMe Apple

Let us know when you've joined GroupMe and we'll invite you to the group.

OnTime Web   OnTime Play Store   OnTime Apple

Let us know when you've downloaded OnTime360 and we'll send you your login.

If you have an iPhone please let us know as there is a high volume client that specifically requires an iPhone for service.

Please fill out our online profile at: www.dashdelivery.net/ic

When you sign up for GroupMe let us know and we'll invite you to the group for your area. We'll post jobs and if you have the group unmuted you'll get an alert. Feel free to mute the App when you're unavailable. Respond if you want the job and we'll assign it to the first driver to jump in. You'll then get the assignment in OnTime.

Setup / Paperwork / Pay
Before we can pay you there are a number of things for you to fill out on your end. You can still accept jobs from us in the meantime but please don't delay on the documents or it could delay payment.

We pay every two weeks by direct deposit through a company called Open Force which can use direct deposit or other pay options you can look at through them. They also provide a number of additional services you can purchase to help you as a contracted driver.

Next you'll get an email from OpenForce for the official sign up or you can short cut straight to that process by going here: Open Force Driver Apply

The Contract we will send you needs to be printed, filled out and signed. You can then either scan and email back or drop by one of our offices or even mail it. Our offices are at and either office can also print the paperwork for you if needed.
